Hello!

I'm Serena Lee, an enthusiastic actor and model embarking on my professional journey with a deep passion for the industry. I bring dedication and versatility to every project. With a love for travel, gardening, and cooking, I am fully prepared to cover all travel costs and expenses for out-of-state assignments. My diverse interests and eagerness to learn make me a valuable addition to any team.

While my experience has primarily been as an extra or background character, I am committed to furthering my career and expanding my skills in the industry.

Despite these minor roles, I approach each opportunity with unwavering enthusiasm and a determination to learn and grow. I actively seek out additional training and workshops to refine my craft and am eager to take on more substantial roles that allow me to showcase my capabilities.
