Dear Parent:

On the next page is the Child Performer Permit you requested.

Since employers are not required to keep the original permit on file, we strongly suggest that you keep the original in a safe place and provide copies to the employers your child may have during the year. We will not be able to supply you with a duplicate permit on short notice.

Permits are valid for one year. The expiration date is shown on the permit. It is your responsibility to apply for a renewal. We ask that you apply about 30 days before the expiration date to allow us to process your request in a timely manner.

To download a renewal packet which contains an application form, submission instructions, and additional forms you may need, please go to the Department's website (www.labor.ny.gov). In the search box on the home page enter LS561.

In order to eliminate delays in processing renewals we remind you that:

- School forms need to be completed and signed by a school official or teacher within 90 days of submission. No report cards please.
- Health forms need to be dated by a physician, physician assistant or nurse practitioner within 12 months of submission.
- We need a copy of your government issued photo identification if you have not already submitted one.
- Proper trust account form is needed, if not previously submitted or account information has changed.

If you have any questions, please call our contact center at 1-888-4NYSDOL (469-7365) or email us at CPIInfo@labor.ny.gov.
