L.A.-based singer-songwriter Edie Yvonne has shared 'Delusion,' her first single of 2024.

**The artist, who is still just 15 years old, rose to prominence throughout last year.** She gained traction in the media and hundreds of thousands of fans following the release of several **exquisitely produced indie-pop songs.**

Among them were tracks like 'Darkness Bliss,' 'Queen Bee,' and 'Girl Code.' Edie teamed up with emerging producers and writers Nicky Swedin and Cormac Liotta in these songs. Together, Edie and her team helped hone in on a singular music style that deals with the stresses, anxieties, dramas, social politics, and all the other issues that come with being a teenager in the world today.

## Single Review: Edie Yvonne's newly released single 'Delusion' shows a future indie-pop icon hitting her stride.

By Sidon Farris | March 13, 2024 | Presented By

'Delusion' isn't the first time that 15-year-old singer/songwriter Edie Yvonne has dropped a dark, dreamy, moody indie-pop banger about teenage drama - but with this latest single, she's shown that she can consistently deliver big tracks.

[L.A.-based artist Edie Yvonne](#) has shared her latest single 'Delusion,' released on February 14.

**Valentine's Day feels like an appropriate launch date for this captivating song, which explores self-love, self-doubt, jealousy, and second-guessing yourself when it comes to a relationship (romantic or otherwise).**

'Delusion' is a punchy 2-and-a-half-minute dopamine hit of a song. In it, listeners are treated to [Edie Yvonne at her lyrical best](#). Over wistful vocals, she sings about what it means to be drawn to someone, yet afraid of them at the same time - and going through all of this emotion.
