

Hello

I am a Swedish man who is 58 years old (but looks about 47-50 years).

I have appeared in a few short films in Sweden (so I have some experience and am a quick learner), I practice martial arts, have extensive experience with various firearms and am militarily trained.

I am 176 cm, weigh 88 kg (no overweight), has gray-brown hair with blue-grey eyes.

Best regards
