Work Experience

Sheetrock Finisher

Kerry Sanchez dry wall - Denham Springs, LA
December 2020 to August 2022

Only finished all dry wall.

Trailer Mechanic

Mike Gerald's trailer depot - Baton Rouge, LA
September 2020 to November 2020

I worked on the hoist side of the ware house that picked the boats up off the trailer and we remodel the trailer from there depending on the customers needs. Used a tractor with toe hitch to pick up, pull and back in narrow areas. Use tire machine to take tire off rim and replace it.

Freight Handler

Home Depot Associate - Denham Springs, LA
July 2020 to September 2020

Unload freight trucks. Place products from trucks in corrects cart to be staged in specific Isles to be stocked onto shelves or put into overhead storage with ballymore.

Educational Sales Consultant

Southwestern Advantage - Baton Rouge, LA
March 2020 to June 2020

due to the covid break out we had to transition from door to door sales. to virtual online consulting. so I not only gained high communication skills I also have skills in google docs, google sheets. excel docs, power points. etc. at south western we sell a system of educational books apps and websites. that help kids get super excited about learning. and help families with home work and we even offer act/sat prep resources for highschoolers

Painter

Stegal steel - Moberly, MO
January 2020 to March 2020

Paint finished welded metal with industrial paint. And paint gun, along with proper health safety guid lines. Take finished product and place it outside for sale or to be picked up by costumer.

Maintenance man

American Outdoor Brands Corporation - Columbia, MO
September 2019 to October 2019

Maintain all packing lines. Add conduit to apply electricity to outlets. Answer any maintenance calls needed to help production. Operate scissor lift, forklift, and all warehouse picking vehicles.

Metal Fabricator

Mack Hils - Moberly, MO
May 2018 to August 2019

Grind and DA welded parts, fix any holes or dents in finished material pack and ship finished parts, load trucks. Pem set parts, sandblast, use press break to bend and form metal, leak test pipes for holes

Freight Loader

Dollar General - Fulton, MO
September 2018 to November 2018

Load products as they come down automatic fed line, in correct carts if they are big load them into trailer. Had to fill up 1 trailer every day. All the way to top with merchandise. Take unused boxes and throw them into bailer.

Cook

G&D's pizzeria
April 2018 to June 2018

Cook presentable food. Prep grill.

Construction Laborer

J&C CONSTRUCTION - Columbia, MO
September 2017 to November 2017

Build additions to houses. Remodel inside.

Box breaker

Precision precast - Columbia, MO
June 2017 to August 2017

Break down industrial box Colbert patch the concrete

Finish sheet rock

Kerrie Sanchez dry wall - Denham Springs, LA
April 2017 to August 2017

Spot all nails that I can reach on foot, whole house must have 3 coats of light mud. Use stilts to get nails higher in and on sealing. Tape corners. Float all wire outlets and run box after banjo. Sand when done.

Cook

Pepper Jax - Columbia, MO
March 2017 to May 2017

Open store. Prep grill and food. Take orders from customers and cook the food

Swin management

Silver creek pig - Higbee, MO
September 2016 to December 2016

Pressure wash pig pins.

Education

GED in Basic education

Louisiana national guard youth challenge program - Carville, LA

Additional Information

Hard Worker and ready for anything to be thrown at me. I have nothing but hard labor experience and will bust my butt to get the job done. I'm capable of using power tools, measuring tap, level, and much more. I can lift more than 50 pounds of material. Capable of working in extreme weather conditions. I'm a very fast learner show me one time and I'll get the job done. Not afraid to try new things and get down and dirty. Been working hard labor jobs since I was 14 years old. Always ready to work, all day everyday at anytime. Available upon request.
