

## Creative Resume

**Film: Title:** Deadlines

**Reason for creating/Date of creation:** It was created as a starter project for film club to help familiarize newer members with the various roles in creating a film. October 2023

**Description of item:** This video was a collaborative 5-minute creation. It is an early 2000's comedy murder/mystery set in high school. I was the creator, director, and co-writer. I also handled casting, and budget.

**Title:** Drop In

**Reason for creating/Date of creation:** 2-minute film for college application submission. Summer 2023

**Description of item:** A whimsical story of a girl who is scheduled to work but the surf waves are calling her name. When she arrives and is greeted by her creepy boss, she punts on work and goes to her happy place. The ocean is a place where I can relax and commune with God and nature. I wrote, casted, directed, acted and handled all costumes, props, location and budget for this 2-minute film.

**Title:** Prom Dress

**Reason for creating/Date of creation:** Music video for "Prom Dress" by MXMtoon submitted for AAHSFF / Spring 2022

**Description of item:** Two awkward loners, without much hope for their senior prom, find each other at the dance and make the most of their prom night. I wrote, casted, directed, edited and handled all aspects of lighting, costumes, location and budget for this music video.

**Title:** Oak Island + Cherry Grove

**Reason for creating/Date of creation:** I created this video to memorialize the aspects of girlhood that cannot be understood through any medium other than film. It embodies summer in the Carolinas. August 2023

**Description of item:** A group of friends go to the beach together and one of them learns to ride a bike for the first time at 17. I handled the filming, editing and music for this project.

**Title:** Girls State

**Reason for creating/Date of creation:** I created this to document one of the most life-changing weeks of my life. July 2023

**Description of item:** More than 600 girls come together at Palmetto Girls State for one-week of leadership and citizenship training and end up forging life-long bonds of friendship. I handled the filming, editing and music for this project.

**Title:** January 3, 2023

**Reason for creating/Date of creation:** It was created to show a different view of girls getting together to hang out. January 2023

**Description of item:** Three strong, capable girls prepare locally to embark on a week in Quebec hiking and end up just being teenage girls. I handled the filming, editing and music for this project.

**Title:** 2<sup>nd</sup> Day of School

**Reason for creating/Date of creation:** I wanted to make a statement about the first day of school. August 2022

**Description of item:** This video, set to a monologue represents why the second day of school is more worthy of documenting than the first. I wrote, filmed, directed, composed, performed music and edited this video.

**Actor:**

The Family Plan, Hurdler - Apple TV  
Deadman's Playground, Annie - Pilot  
International Public Service Video for suicide prevention, Primary Teenager  
Friend of the Family, Featured Extra at the school dance - Peacock
