Motivated student who consistently holds a strong work attitude. Will show up every day on time and ready to learn. Seeking to apply my hands-on work at your company. Will leverage what I have learned about paleontology to contribute to company goals and needs.

EDUCATION

Churchill Fulshear, Jr. High School, Fulshear, TX

Senior

- Relevant Coursework: Hard Worker who took/passed several science classes including Biology
- Extracurricular: 2022 Manager of the varsity Baseball team, 2021 Manager of the varsity Basketball team
- Honor: 2023 Academic All District Honor Roll

MAJOR ACHIEVEMENTS

- I played on the Junior Varsity football team my freshman and sophomore year
- I managed the basketball team my sophomore year
- I managed the baseball team my junior year

ADDITIONAL SKILLS

I want to become a paleontologist. I will need to attend a university and obtain a degree in paleontology. I like creatures that became extinct years ago, especially dinosaurs. I have been interested in dinosaurs from a very young age. Over the years, I have learned many things about the dinosaurs such as what era they lived in, what they ate, how their bodies camouflaged them, who preyed upon them and how they became extinct.

AWARDS, HONORS AND HONORARY MENTIONS

- I have had perfect attendance every school year.
- I made an interception in the final game of my sophomore year.
- I make A/B honor roll every school year.
- I made Academic All District Honor Roll my junior year.
