EDUCATION

2017 - 2018
Next Step - American University of Beirut

A university-based transition program for youth and adults with intellectual challenges. An innovative educational environment that facilitates students' learning and practice of life skills in preparation for employment, participating in community life, and achieving independent living.

2008- 2016
Sagesse School - Beirut Lebanon
Elementary mixed Levels.

EXTRA CURRICULAR

Summer 2015
Aya Jumps - Globe Jumpers in partnership with URBANIA Montreal
A trip to Mongolia and China with the Globe Jumpers two travelers whose goal is to spread awareness about mental disability and to prove that an adventure trip can be within everyone's reach. A documentary was then created. <https://vimeo.com/122447312>
