## About me

---

I am 12 years old and started doing local theatre in my hometown in 2021. I am now transitioning to tv/film and I am an eager learner, great at taking critique as well as listening to ques when needed. I enjoy getting into character and the camaraderie with the cast and crew on projects. My family is willing to travel to sets to film and I can wear contacts, and dye hair if needed.

## Education

---

### *Evansville Day School*

Currently in 6th grade
