Woolwich Library Centre London, England

Summer reading challenge volunteer

Aug 2022

The summer reading challenge is a programme that runs over the summer holidays, which encourages children aged 4 to 11 to engage in reading over the holidays. Each time a child would read four books, they were to come back to the library, and we would give them a small reward — the end reward being a medal and a certificate with their name printed on it.

- Maximized customer engagement and satisfaction by delivering excellent customer service and answering any queries.
- Explored and created new ways to resolve problems with processes, technology, or team members to improve overall efficiency.
- Helped pack, organize, and distribute children's free lunch meals during the summer holidays - used efficient team communication while packing and organizing.
- Effectively used communication skills to engage children in the summer reading challenge, and helped many children grow enthusiastic about reading during the summer holiday.
