PROFESSIONAL SUMMARY

I'm Aline Roth and I'm 14 years old.

I have always known that acting is what I want to pursue in life. I was homeschooled for a year so that I can work on the things I love such as a music and acting. I am trained in performing arts , studying theatre and music. I sing and I also write my own songs. The ukulele is my main instrument but I also play some guitar and piano. I played the lead role Annie in "Annie The Musical" and recently played Timon in "Lion King". I am very keen to get more experience within the theatre and film industry.
