Hello! My name is Dante A Pratt. I am 13 years old going into 8th grade next year. I don't really know how to do a resume but I know I've always wanted to act. It was a dream I had since I was young. I did do an audition for percy jackson but didn't make it in. I'm a good actor I guess because I can always convince people if I'm crying. Or if I'm angry. They always believe me and they aren't gullible. I want to start as a background character to start and then maybe make my way up! So hopefully you liked this speech I made!
