 @lobsterstink

Dedicated and highly skilled VFX Artist and Technical Animator seeking opportunities to contribute creativity, technical expertise, and strong problem-solving skills to innovative projects. A current student at the Savannah College of Art and Design, I bring a solid foundation in visual effects, technical animation, and a diverse set of skills acquired through academic excellence and hands-on experience.

Education

Bachelor of Fine Arts in Visual Effects

Savannah College of Art and Design (SCAD)
September 2019 - Present

Academic Achievements

Maintained consistently high grades throughout the Visual Effects program at SCAD. Completed a comprehensive range of courses covering VFX, technical animation, stop-motion animation, and music composition.

Professional Experience

Freelance Visual Effects and Technical Animation Artist
2017 - Present

- Leveraged skills in Adobe Photoshop, Adobe Illustrator, Adobe After Effects, NukeX, Houdini, Blender, and Autodesk Maya to deliver high-quality visual effects and technical animation for various clients.
- Successfully completed projects in diverse areas, including VFX for film and television, technical animation for games, and stop-motion animation for promotional content.
- Collaborated closely with clients to understand their vision and deliver creative solutions that exceeded expectations.

- Managed multiple projects simultaneously, demonstrating exceptional time management and organizational abilities.

Starbucks Barista

2019 - 2022

- Provided a safe and clean environment during the COVID-19 pandemic.
- Established personal connections with regular customers, exceeding customer service expectations.
- Sold merchandise to customers with a broad knowledge of both physical and edible goods.
- Helped to create a fun environment with teammates while efficiently and quickly completing our tasks.

Freelance Music Composer

2013 - Present

- Utilized musical composition skills to create original scores for a variety of projects, including short films, animations, and promotional videos.
- Collaborated with filmmakers and content creators to understand the emotional tone and narrative of each project, ensuring the music complemented and enhanced the overall experience.

Freelance Writer and Journalist

2014 - Present

- Published four novels, showcasing a passion for storytelling and creativity.
- Worked as a journalist for an animation newsletter, covering industry news, trends, and interviews with professionals.
