

PROFILE

I Just Graduated from High school about 3 months ago. I pursued the Business Management field in High School. Since I took Business Management Field in High school. Now, I can be able to acknowledge Business. I am currently working as an Ambassador of a Brand Company that is engaged in marketing affiliation and intends to expand its reach for recognition and sales.

As a Brand Ambassador, I know that in Business Marketing working for Campaign Advertising is really important to reach the audience. Since I became The Brand Ambassador Company that encouraged me to focus on doing marketing affiliation. In this way, I try to Invest money that I haven't tried before in my life. Now, I am also currently working as a Freelance and I have been doing a project for some of clients from different company.
