ABOUT ME

I'm a young and super excited actress ready to take on the world! I want to share my talent and make people smile and feel all the emotions through my performances.

Sometimes, people think being a kid means I can't be serious or dedicated, but they're wrong! I am super dedicated to my craft. I show up prepared and ready to give it my all. I listen and learn from directors, and I'm always open to feedback.

I'm only 12 years old, but I believe that dreams can come true at any age. I'm here to show the world what I'm capable of and bring joy to audiences everywhere.
