UPS - Package Handler

- I was a part time package handler during the morning shifts.
- I would sometimes load the trucks and then unload the trucks
- I would also scan the packages and place them in the sections where they belong for the drivers to deliver them throughout the day.

Feb 2023 - May 2023

WIS Inventory Solutions - Inventory

- I would travel to different stores in various cities such as philly, connecticut, staten island, bronx or jersey and go to different variety of stores such as Target, Barnes & Nobles and scan all items, count the quantity and write our signatures on how many of the product there is and the price.

July 2023

Harvard Protective Service Security

- I would check certain floors and make sure that all doors are locked and secured on certain floors in the staircase and scan the code.
- I would also exit the building to check the building door across the street and make sure those doors are also locked and secure.
- I would be the interior and exterior patrol officer

April 2023 - June 2023

Bojangles - Cashier

- I would be the cashier and take the customers order
- I would prepare the customers orders or drinks for them
- I would work in the back and repeat to the customer their order and give them their price of their order
- In case there wasn't any ice left, I would fill up the buckets and empty them in the tray so the other employees can prepare the drinks
- I would also be in the back refilling the buckets of condiments and bringing them to the front when we run low in the front

## Education
