ABOUT ME

I'm From Minneapolis. I was kidnapped to Fountain Hills. I never graduated high school. I was in a hip hop dance duo called "M&M" long before Eminem was Eminem. In a former life hung I out with Shaq, Charles Barkley, Arnold Schwarzenegger, Will Smith, Paula Abdul, Tom Cruise, Sylvester Stallone and Dr. Dre. I may have auditioned for the movie Tombstone. Once I met Jesus He called me out of Music and general stupidity into Ministry and allowed me to marry Misty, the most beautiful woman in the universe. We have 3 amazing kids who may save or destroy the world. I love Jesus. I love His mission and I'll do anything to share it.
