- Basic videography

INTRODUCTION

SUNY Orange New Media graduate seeking part- or full-time employment in filmmaking, film production, voice acting, or acting. I am a great team player with a positive attitude and eagerness to learn more about all aspects of the film industry. I am also a very talented artist with an interest in animation.

WORK EXPERIENCE

Independent Animation Film (self-employed)

November 2023 – Present

Co-creator of an animation short with a team of animators. Responsible for character design, background art, storyboarding, and voice acting.

Wallkill River School of Art, Montgomery, NY – Instructor

November 2022 – December 2022

Instructed a small group, ages 12-16, how to use Procreate over a 6-week period. Taught students the basics of Procreate and expanded skills as the course progressed. By the end of the course, students completed a digital drawing with a full knowledge of Procreate.

Legoland, Goshen, NY – Retail Associate (Seasonal)

May 2022 – November 2022

Provided support to all retail staff. Tasks included cashier, inventory, and customer service.

Children's Book Illustrations – Freelance Illustrator

July 2018 – November 2021

Created illustrations, character designs, and color schemes based on author's writing. Supplied sketches of all pages for client approval, then created final artwork on a digital platform. Completed five children's books authored by a private client (non-published).

EDUCATION

SUNY Orange, New Media

Graduated May 2023

Washingtonville High School, HS Diploma – May 2020
