About me:

Describing Selena; She's a creative, curious, ambitious, and versatile individual. She's a dreamer who loves performing. What intrigues me? Creativity and perspective - how one can put one's imagination into a story and make it come to life is captivating. I got infatuated with cinema and the performing arts because of Marvel, Disney, Titanic, and Lord of the Rings. I am small in stature but my talent packs a punch! My time as a radio personality activator trainee for Radiowave / Nova FM allowed me to hone my vocal abilities. I love popcorn, which is a fun tidbit about me.
