EXPERIENCE

Hines, West Chester, OH — *Engineer*

AUGUST 2017 - PRESENT

I maintain and fix a large variety in an office park of more than half a million square feet. I have become very proficient with HVAC in this area.

Jancoa, West Chester, OH — *Utility Porter*

OCTOBER 2015 - AUGUST 2017

I absorbed as much knowledge as I could from a mentor engineer who has 15 years of on the job experience.

Aegis, Kenwood, OH — *Security Guard*

JANUARY 2015 - OCTOBER 2015

I gained the people skills I would later use to properly communicate to office building tenants.

EDUCATION

Hocking College, Nelsonville, OH — *Associate's Degree*

AUGUST 2013 - DECEMBER 2015

I went to school and got my degree for a National Park Ranger. I learned a great many things about the great outdoors.

New Richmond High School, New Richmond, OH — *High School Diploma*

AUGUST 2002 - MAY 2006

I completed my high school adventure with the attitude that I wanted to be thrown into the deep end and face a challenge. I then set out for Marine Corps boot camp that next fall.

MILITARY SERVICE

UNITED STATES MARINE CORPS

SEPTEMBER 2006 - SEPTEMBER 2010

RANK: Corporal

MILITARY OCCUPATION

SPECIALTY: Fire Support Man
In Afghanistan I was the representative of my battery in the entire Helmond Province for rocket artillery, in a three man rotating shift 24hrs for 7 months.

Received an Honorable Discharge

AWARDS

Afghanistan Campaign Medal
Iraq Campaign Medal
Oversea Deployment Medal
Global War on Terrorisom Medal
Nato Non-Article 5 Medal
National Defense Ribbon
Good Conduct Medal

SKILLS

I gained leadership skills being in charge of a squad of marines in Afghanistan.

I honed my people skills while working as a security guard.

I developed mechanical skills quickly as a Utility Porter.

I have become very confident and comfortable maintaining the vast array of equipment in an office space.
