EXPERIENCE

NC A&T product of “Tartuffe: The Impostor”, North Carolina A&T S.U. - Lead Photographer and Media Collaborator

March 2024 - April 2024

- I documented the progress of the cast and crew throughout rehearsals and show days.
- I facilitated and executed the development of all cast headshots and promotional photos.
- I designed and edited the promotional social media posts used to advertise the production.

Aggie Filmmakers, North Carolina A&T S.U. — Chair of Membership and Communications

April 2023 - Present

- I develop content for members detailing current events within the organization and the city.
- I dedicate time and energy to work as part of a team to develop several film productions.
- I mentor new and current members of the organization.
- I assist in the planning and organization of the events created by the organization.

Explorer Post 50, Durham Bulls Athletic Park — Crewman

May 2021 - September 2022

- I independently operated Camera Equipment for the live televised broadcasts for the Durham Bulls baseball games.
- I operated camera control units (CCU) independently to adjust the display colors and brightness.
- I worked as an Audio Technician to maintain the preferred volume level for the audience at home.

One Act Festival, Durham School of the Arts — Director

March 2021 - May 2021, March 2022 - May 2022

- I created the staging and set pieces for one of the plays featured in the festival.
- I led and mentored the young actors as they prepared for their first performance.
- I focused on my actors performances during rehearsals and gave detailed notes to help them better themselves as performers
