Profile

Mary Maragoudaki is an actress and theater director. She's a graduate of Akis Davis' School of theater. She is certified as an adult educator, designer of educational programs for adults and juveniles, and teaching & methodology at Panteion University, as well as theatrical education at the University of Kapodistrias. She is a founding member of the Modus Faciendi art company and Calderone. She has created the Calderone Theater Workshop where she has been teaching since 2010. As of 2001, she has directed more than 30 performances. She specializes in experimental theater, she writes, adapts, or composes the texts of her performances. As an actress, she has been involved in street theater - physical theater, contemporary theater, performance, cinema, and contemporary dance. As for photography, she teaches model direction, image composition, art movements, and image narration/reading. The last five years she has been involved in artistic research and the interdisciplinary nature of the arts.

She is the owner of calderone, an art space of research, creation and education, In addition to the artistic field, she also has been trained in marketing and project management. Also: social media marketing and SEO. She is experienced in internet marketing, content editing (canva or other related program) Google Ads, Facebook, Instagram, Email Marketing, wordpress administrating, social storytelling and business planning
