INTRODUCTION

Hello, my name is Chandler Calise Dean. I am a 19 year old, new and fresh face to the modeling industry. I have always been interested in the modeling world but the photoshoots done on my birthdays have led to my deep passion to model more. I strive to be one of the best and will always work extremely hard to perfect my craft. I am currently working with Studio 1 but am open to other possibilities. I hope you enjoy my introduction and portfolio. Modeling has always been a big dream of mine. I look forward to working with you soon and making it big!!

Thank you.

BIO

I was born and currently live in Little Rock, Arkansas. I am pretty new to modeling and my first professional photoshoot (other than the ones I did for my birthday) was with Studio 1. It was exciting and has me dreaming of more possibilities. Over the years I have competed dance in the following genres – tap, jazz, contemporary, lyrical, hip hop and musical theatre. During some competitions,- I also won photogenic awards. I was a cheerleader from middle school thru high school. All of these endeavors have led to a strong work ethic and a curiosity to see what else is out there for me. I am easy to work with, have a great attitude and am willing

to travel. I am thrilled to learn and grow as a professional model.
