## Summary

Proud and driven volunteer youth worker with excellent understanding of needs of young people. Brings extensive experience in mentoring and supporting young individuals, encouraging self-awareness, independence and individuality.

Facilitates projects aiming at identifying and resolving issues of young

people. Dedicated volunteer youth worker with passion for supporting young

people in need of help. Highly skilled at creating projects to deliver rich programmes of positive activities and reflective sessions for youth. Brings strong

expertise in building partnerships with other services and coordinating joint

projects. Enthusiastic volunteer with drive for humanitarian action. Brings proactive approach and confidence to support diverse range of young people.

Demonstrable leadership skills with proven experience in facilitating multiple youth projects to provide young individuals with safe spaces. I also enjoy looking after

dogs as well as cats and caring for them while you have to go out. I am also able

to babysit after college and on the weekend also I can babysit overnight if

needed. I can work in a fast-paced facility and am highly motivated at everything

I do also I can listen to instruction very carefully and do as I am instructed to do.

## **Experience**

Joanne Laverick

Volunteer Youth Worker- still work here.

Assisted in the planning and management of enjoyable projects, games and activities for young people.

Supported other team members and volunteers to carry out duties to required standards and timeframes.

Provided youth work support, encouraging youth to take part in new positive opportunities and experiences.

## **Hobbies and Interests**

My hobby is dancing, and I do it 4 times a week. I also do competitions, shows and exams.

I am also interested in becoming a dance teacher or an actress.
