Critical Care Nurse

Emory St. Joseph Hospital

2023-Now

From a young age I've always felt fulfillment in taking care of others. In high school, I spent my most of my free time volunteering for soup kitchens and I spent my summers working with kids. That was the start of my career as a caregiver. Nursing is my passion. I love how my knowledge for medicine and love for people is always growing. I enjoy balancing my hospital life with time outdoors, especially with my dog. I love experiencing new cultures and foods when traveling. My favorite things to do in my free time is work on my photography, listen to music, snowboarding, rock climbing, and going on hikes with friends!
