Objective

To leverage my skills and experience in entrepreneurship, TV presenting, and commercial modeling to pursue a dynamic career that allows me to showcase my creativity, communication, and leadership abilities.

Education

Diploma graphic design and multimedia
Certificate in Business management
Certificate in commercial modeling
Certificate in Grooming and Etiquette

Experience

Entrepreneurship

Chief Executive Officer to Fast Track Media a successful startup that has provided innovative solutions for customers who seek brand visibility

Conducted market research, identified target customers, and established partnerships with key stakeholders.

TV Presenting

Hosted a weekly wedding dress lifestyle show on a local TV channel called 3Ktv which is on Dstv channel 293 covering content on helping brides find their potential wedding dresses.

Hosted another weekly show called People n earth where we focus on environmental issues and wildlife. It has also been aired on Dstv under 3Ktv.

Hosted my own tv channel on YouTube where I conducted exclusive interviews with local celebrities, business men and individuals who had real life stories to share.

Collaborated with producers, writers, and editors to develop engaging content that resonated with the audience.

Grooming and etiquette.

Hosted business workshops on grooming and etiquette in business.

Commercial Modeling

Working with Top Zimbabwe as a commercial model for various brands, including fashion, beauty, business adverts and lifestyle.

Participated in photoshoots, runway shows, and promotional events, showcasing versatility and adaptability.
Collaborated with photographers, makeup artists, and stylists to create visually stunning images that aligned with the brand's vision.

Maintained a professional image both on and off-camera, representing the brand's values and ethos.
