PROFILE

I am an enthusiastic young lady with a bubbly and upbeat personality. I am well-liked by peers and teachers. I am looking for a customer service position that will allow me to demonstrate my excellent people skills and develop my interest in hands-on activities. I understand the importance of working as a part of a team and learning from others, and developing as a person.

SPECIFIC COMPETENCIES

- Effective communication skills and an appreciation for the different communication styles required when working with other team members or with customers
- Honest and reliable with strong morals and ethics and the ability to undertake tasks responsibly
- Understanding of the need to remain flexible and adaptable to support last-minute demands and changes
- Excellent organisational skills with the ability to manage multiple tasks within specified timeframes
- Ability to work well with other team members and in a fast-paced team environment
- Exceptional customer service and problem-solving skills with a professional attitude and a passion for delivering the best outcomes for the customer
- Committed to fostering and working in an environment of continuous improvement
- A strong safety awareness that reinforces positive behaviours
- A motivated, enthusiastic, and positive 'can-do' attitude
