## Education

January 2021 - June 2024

**Savannah College of Art and Design, Georgia** - *Dramatic Writing with a minor in Film and TV*

**Portfolio** | <https://ninatorrise.myportfolio.com>

## Projects

Television animated series

### ***Fly Away With Me***

**Logline:** A superhero and a supervillain struggle to balance their real lives and secret lives, and it only gets worse when they find out they've been dating for months without knowing they're each other's archnemeses.

Television comedy pilot

### ***Human Nature***

**Logline:** After watching his best friend and partner die tragically on a mission, Special Forces Captain Jason Nestor must navigate life with PTSD and its personality-altering side effects; all while trying to reform the relationships he once took for granted and avenge the death of his partner.

## Experience

June 2023 - November 2023

**Planet Fun, Savannah, GA** - *Sales Associate/Cashier*

- Honed my people skills, learned to connect with customers, and chat about their interests while informing them of the store's contents and products that may interest them.

- Learned how to cooperate with many different personalities and communicate with coworkers if I needed help.
