Activities

SCAD Clubs, September 2021 - PRESENT

SCRIPTED

Develop character ideas and construct fictional worlds using creative skills. Collaborated with peers to share and support ideas.

BLACK BOX, DRAMATIC WRITING CLUB

As a staff writer, pitch ideas for TV pilots and assist fellow students with their selected concepts. Also contribute to writing scripts for various scenes and our team helps each other make necessary revisions.

IMPROV

Actively strive to enhance understanding of character development and teamwork in fast-paced, real-time scenarios that require quick thinking and decision-making.

SOCIAL SPECTRUM

Social gatherings and connecting with peers offer mutual support, celebrate accomplishments, and provide encouragement during difficult times.

FILM PRODUCTION

Assisted film production by collaborating with members, sharing ideas and tactics, and serving as an extra and production assistant for fellow students.

SCAD Events, February 2023

DWRI X ADVR TEAM UP BRAIN STORM PITCH EVENT

Developed a Sour Nerds candy ad pitch in a group of five students.
