## PROFILE

Hardworking, determined, passionate and creatively driven individual with strong organizational skills and a healthy interest in collaboration with other like-minded professionals.

My work ranges from independent to commercial, but I strive to work efficiently and honestly to complete any task I am given to the best of my ability.

## EXPERIENCE

### **Hundred Water Films**, Brooklyn, NY

Associate Producer, Editor, Researcher

October 2020 – Current

- Collaborated with documentary filmmaker Philip Shane on a feature film about the history of the video game *Myst*, researching archival records and cutting together short clips that showcased key moments of the film.
- Contributed to brainstorming sessions for concept development, offering insight into effective editing techniques that support storytelling goals.
- Maintained digital archives of raw footage, final edits, and other assets for easy access and retrieval.
- Invited as a special guest twice in a row to the annual *Mysterium* convention alongside Philip and his team members to present our work.

### **PAX East**, Boston MA

Enforcer

March 2024

- Served as a team member at a prominent video game convention on the east coast alongside over 200 dedicated workers.
- Oversaw the execution of performances during evening concerts and supervised the band's merch table.
- Contributed to opening and closing the con floor each day, as well as clean-up before and after the event started.

### **What The IF?**

Social Media Manager

February 2021 – January 2022

- Managed behind the scenes operations for Philip Shane's science-based podcast, implementing a digital marketing strategy by creating social media posts and designing the Patreon which encouraged listeners to support future episodes.

### **WXPN - Music Festival**, Camden NJ

Volunteer Assistant

2018 - 2020

## HONORS AND AWARDS

- Best Special Effects, Talisman, Bridge Student Film Festival
- Poet Laureate Finalist, Bucks County Poet of The Year

## EXTRACURRICULAR ACTIVITIES

- Traditional and Digital Animation - Moore College of Art, PA
- Comic Illustration - Pennsylvania Academy of Fine Arts, PA
- Filmmaking, Animation, and Playwriting - Putney School, VT

- o Assisted attendees with inquiries during the daytime and conducted site inspections throughout the festival grounds.
- o Managed the stage and coordinated with the talent to ensure they were prepared for their scheduled performances.
- o Provided support at the VIP table by serving beverages to guests with exclusive privileges.

### WHYY, Philadelphia PA

#### TV Production Intern

January 2020 – June 2020

- o Assisted television producers with regularly broadcasted programs for WHYY and PBS,
- o Transcribed and cataloged interviews, often traveling on location with a small crew to help film local news segments.
- o Aided in inventory management by tracking materials and updating records as needed.

### America Reads & Counts, Manhattan, NY

#### Assistant Teacher

September 2018 – August 2019

- o As a tutor for young children in the New York City public school system, I taught kids in 1st grade or lower basic principles of math, science, reading, and writing.
- o Formed a strong rapport with students by demonstrating genuine care for their well-being and academic success.
- o Assisted lead teacher in providing individualized attention to students, resulting in improved academic performance.

### PhillyCAM, Philadelphia, PA

#### Live Video Production Intern

January 2016 – June 2016

- o As camera operator and sound engineer working live in the studio, I contributed to the success of events by troubleshooting technical problems quickly and efficiently, minimizing disruptions to the live feed.
- o Traveled around the city covering rallies and protests lead by Philadelphia community activists.
- o Maintained equipment inventory through regular checks, reducing downtime due to missing or malfunctioning gear.

### Get Kinetic! Fishtown, PA

#### Video Production Intern

January 2015 – June 2015

- o Edited B-Roll for outside companies, assisted with asset inventory, compiled interview footage, and created drafts for edits of future projects.
- o Gained hands-on experience with industry-standard software such as Adobe Premiere Pro or Final Cut Pro for professional-quality editing results.
- o Increased productivity by working with a team to troubleshoot issues and implement effective solutions.
