About Me

Hello

My name is Gabriel Zoromski and I am a voice actor. I have a broadcast quality home studio with a noise floor of -60 db with 6 inches of sound proofing all around me. A LEWITT 540 Sub-Zero microphone, and a Volt 176 interface. I have training with the GVAA and A VOs Journey Elite Academy. On the side I also narrate audiobooks for Audible!

I have experience in commercial, narration, and character work.

My passion has always been in audiobooks, cartoons/animation and videogames. I grew up loving imitating characters I'd see in movies and shows, as well as being immersed in videogames and re-creating videos of my own of my favorite characters. And now, I do this as my dream! And it is my absolute pleasure to offer it to you as well if you desired to work with me.

My life is my family, I have a beautiful wife and 7 children, I live for them everyday and they will always be my priority.
