About Me

Hi, my name is Saşa! I'm a 22-year-old Turkish-American and a fresh graduate from Loyola Marymount University's School of Film and Television with a B.A. in Screenwriting. As a writer, I aim to infuse my work with a unique female perspective and create silly and complex characters that resonate with diverse audiences.

In my time at LMU, I was a dedicated D1 rower on the women's rowing team for all four years (humble brag). Rowing taught me discipline, teamwork, and perseverance---essential qualities for navigating the chaos of film and TV writing.

Let's connect bring some fresh, dynamic stories to life!--no rowing required.
