ABOUT ME

-My name is Prachi and I'm a theatre student who's currently doing professional workshops, plays and looking for tasks like those.
-Other than that I can persistently write my own scripts and screenplays while having a leadership skill to direct.
-I make my own short films as well and I wish to be a part of one's someday, some of them are present on the link of my website.
-To learn more, Click on my Linktree
I'm open to any roles for plays or movies as long as they fit my conditions.
