|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended retailer text | <p>Two's company</p> <p>The TKM-250 mouse-and-keyboard set is ready for work, setting you up for hours of comfort and efficiency. Productivity is key</p> <p>A full-size keyboard provides optimal efficiency and productivity, so you can work quickly (and maybe even go home early).</p> |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Splash zone? No problem  
A spill-resistant design keeps your keyboard safe from liquids, so you don't have to worry about tipping over your new coffee mug.

Stay adjusted  
Use the fold-out feet to adjust the keyboard's height, so you stay comfortable and get things done. Your hands will thank you!

All hands on deck  
Left-handed, right-handed – the TKM-250 mouse is suitable for everyone. All it wants is someone to hold.
