

VISION Heavy Duty Display Wall Mount - LIFETIME WARRANTY(VFM-W8X6)

Fits display 47-100" with vesa sizes up to 800 x 600 - non-tilting - suits interactive flat panels or led TVs - arms latch securely - 3 mm cold rolled steel - media player fixing points - SWL 130 kg - black

Interactive flat panels are large and very heavy. Vision's VFM uses heavy-gauge sheet metal to take the weight safely.

Key Selling Points

- Designed for professionals
- Latches securely
- Heavy duty

Product Features

Designed for professionals

A proven design allows fast fixing, and slotted holes on the wall part allowing leveling adjustment after fixing.

Latches securely

The display latches on the horizontal section as the display is hung in place. Snap the plastic pull-rods off to length so they are hidden behind the display. Give the pull-rods a downward tug to unlatch the display.

Side by side

Two horizontal sections can be fixed together side by side for dual-display video conference or huddle room applications. Or extend the horizontal to bridge wide load bearing points in a wall.
