

# BT9378

## UNIVERSAL DVLED MOTORISED HEIGHT ADJUSTABLE MOBILE STAND

The **BT9378** is a low-profile mobile trolley engineered to support dvLED videowalls up to 200", with universal compatibility across all major cabinet types and brands. Its streamlined wheeled base integrates a motorised lift system, enabling effortless height adjustment for the perfect viewing position. To maintain a neat and professional appearance, the BT9378 includes discreet cable management and a built-in 6-way power distribution board within the base, ensuring a clutter-free installation. With a tamper-resistant design for added security, it delivers a durable and reliable solution for professional environments.
