PROFILE

I am Md. Jobayer Hossain, founder of eTranslators, the top-ranked translation agency on Freelancer.com, trusted by over 3,700 clients. Since 2013, we have delivered thousands of successful translation, transcription, and localization projects worldwide. Our team of native linguists provides 100% human, high-quality translations in all major languages, specializing in legal, medical, technical, literary, and business content.

WORK EXPERIENCE

eTranslators

2013 TO PRESENT

Founder & CEO

- Established and managed eTranslators, a top-rated translation agency ranked #1 on Freelancer.com, with over 3,700 completed projects and a 4.9/5 rating.
- Expanded our presence to Upwork.com and Fiverr.com, maintaining high client satisfaction and strong profiles on both platforms.
- Led a team of native translators and localization experts, delivering 100% human, high-quality translations in 200+ languages.
- Specialized in legal, medical, technical, literary, and business translations, serving a diverse global client base.
- Consistently ensured brand integrity and quality across all client interactions and platforms.
- Built long-term client relationships and optimized project management for efficiency and excellence.
