Confidential

Your confidentiality is our first priority to ensure and secure.

Sejarah Berdiri

Brainy Translation didirikan di Malang pada akhir tahun 2013 sebagai tuntutan kebutuhan akan penyedia jasa penerjemahan di Indonesia khususnya di kota Malang sebagai pusat kota pendidikan. Pada awal berdirinya, Brainy Translation banyak melayani naskah-naskah terjemah seputar akademik semisal abstrak, jurnal, buku ajar dll.

Dalam tahapan berikutnya, Brainy Translation berkembang menuju level pasar profesional dengan melayani berbagai kebutuhan akan jasa penerjemahan di level bisnis ataupun perusahaan.

Company History

Brainy Translation was initially established in Malang at the end of 2013 to meet the translation demand of college students in Indonesia particularly in Malang as the city of education. In the very beginning, Brainy Translation provided its services mostly in the academic field of translation such as abstracts, journals, handbooks, and so on.

As time went by, Brainy Translation reached its milestone and entered the professional market by providing its services at the business or corporate level.

The Next Level Of Translation
