

MAX BOZ

Certified Medical Interpreter (English/Spanish) · AI Data Quality Auditor

Santo Domingo Oeste, Dominican Republic | 8297208371 | Maxboz17@gmail.com

PROFESSIONAL SUMMARY

Bilingual (English/Spanish) certified medical interpreter with 4+ years of experience delivering simultaneous and consecutive interpretation across healthcare, legal, and business settings, including high-pressure emergency care situations. HIPAA-compliant and trained in cross-cultural communication. Recently expanded into AI data quality auditing, independently evaluating multilingual AI model conversations against structured taxonomy guidelines for a major language services provider. Comfortable managing multiple concurrent remote engagements while maintaining strict accuracy and confidentiality standards.

CORE SKILLS

Simultaneous & Consecutive Interpretation • Medical Terminology (ES/EN) • HIPAA Compliance • OPI / VRI Platforms • AI Model Evaluation & Quality Auditing • Fact-Checking & Structured Rubric Assessment • Cross-Cultural Communication • Multitasking Across Concurrent Remote Contracts

EXPERIENCE

AI Data Quality Auditor (Short-Term Contract)

Aug 2026

RWS Language Services and Technology — MQA ELO Project, Remote

- Audited AI model conversations across a structured evaluation rubric — Scenario Adherence, Dimension Quality, and Error Cluster identification — for a live speech-to-speech LLM evaluation project.
- Independently verified factual claims in AI-generated conversations against real-world sources to confirm evaluation accuracy.
- Delivered detailed, evidence-based audit comments aligned to taxonomy guidelines to support model quality calibration.
