SKILLS

- Research | Because of my work I know what it means to conduct factual and thorough research, both individually as well as in a team.
- Politics and Philosophy | My studies, career, and life have given me an excellent knowledge of the socio-political issues of the day.
- Work environment | I am used to working in environments where deadlines need to be met, and a lot is expected of me. Working as a freelancer means taking full responsibility for the work that I deliver, with good and honest communication.
- Translation and writing | My experience as a linguist and writer has taught me how to write in an interesting and captivating tone.
- Cultural awareness | Having lived in multiple places in Europe, and having worked in environments with people with a variety of cultures and backgrounds, has shown me a lot about cultural sensitivities.

LANGUAGES

Native speaker of Dutch. A native command of English. Furthermore, an intermediate knowledge of Italian and German (B1), as well as starting skills in French (A2).
