Profile

Experienced freelance translator with expertise in handling large-scale translation projects across pharmaceutical, industrial, mining, and NGO finance sectors. Proven ability to manage workflows, coordinate with clients and teams, and ensure quality control for English and Spanish projects. Strong organizational skills, solid technical background, and fluency in English and Spanish. Dedicated to continuous professional development, with multiple certifications and courses related to translation projects. Enthusiastic about AI applications in translation.

Work Experience

Freelance Translator

February 2018 – Present

-) Managed translations from initiation to delivery, including file preparation, QA, proofreading, and final revisions.
-) Specialized in complex pharmaceutical dossiers, geological mining documents, and industrial and business reports.
-) Collaborated with international agencies, ensuring timely and high-quality delivery.
-) Machine Translation Post-Editing (MTPE) for various LSPs.
