

Seamless Integrations

ParentSquare integrates with **all Student Information Systems (SIS)** via direct **API**-based integration, **SIS** partnerships, **SFTP** transfers, or partnerships with **Data Integrators**.

All integrations are built with data quality checks to prevent duplicates and data errors, especially for parent data that is usually not indexed in SISs.

Direct integration via API

- Aeries Communications
- eSchoolData
- eSchoolPLUS
- PowerSchool
- RIC One
- SAM Spectra

SFTP Transfer

Nightly automated sync where SIS has built-in support for transfers or ParentSquare provides scripts to district.

Built-in support by SIS

- Aequitas Q
- BigSIS
- Harmony
- RenWeb/FACTS
- School Pathways
- Skyward Qmlativ
- Skyward SMS
- Tyler
- TxEIS

- Infinite Campus
- ProgressBook (Supported by ITC)
- Synergy
- Aspen

All other SISs can use SFTP format and easy CSV template files provided.

Data Integrators

- Clever (SSO, Rostering)
- ClassLink (SSO)
- OneRoster (Rostering)
