Chief Education Tech Officer,
Santa Barbara USD

Teachers who are more tentative with technology are stopping by to tell me, "It's so easy. I can't believe I ever worried that I wouldn't be able to use it." Even the most technology shy teachers are posting homework information for students.

I love ParentSquare because: me mantiene en comunicacion con las maestra y la directora de mi hijo. Creo que cada padre deberia de usar esta herramienta para asi ser de mejor ayuda en los estudios de nuestros hijos.

Rosalinda Sanchez

6th Grade Parent

Switching over to ParentSquare has been the best decision for our district. The bridge between the elementary, junior and high level is very apparent. We're reaching 98% of families in our district and our parent engagement levels are higher than ever!

Dennis Haynie

Director of Technology,
Andrews ISD

ParentSquare is the best tool we've invested in all year. It's raised the quality of our communication with our families and best of all, our parents, teachers and staff love it! The user experience is well thought out and the product speaks for itself.
