

TECHNICAL DATA SHEET

Art. **10001**

DESCRIPTION

A multi-pocket work vest that gives you a versatile carrying system in warmer conditions. The polyester/cotton fabric brings strength and durability to hot climates, while mesh panels let air move through and keep you cool. Six pockets spread the load and a radio loop keeps a handset within easy reach.

CHARACTERISTICS

- Hard-wearing polyester/cotton fabric for high performance and comfort
- Mesh panels for extra ventilation
- Six pockets: 3 chest, 2 lower, 1 large stash pocket
- Large stash pocket sized for screws or nails
- Radio loop for easy handset attachment
- Moisture-wicking, breathable fabric
- Material: 65 % polyester / 35 % cotton
- Machine washable at 60 °C

SIZES

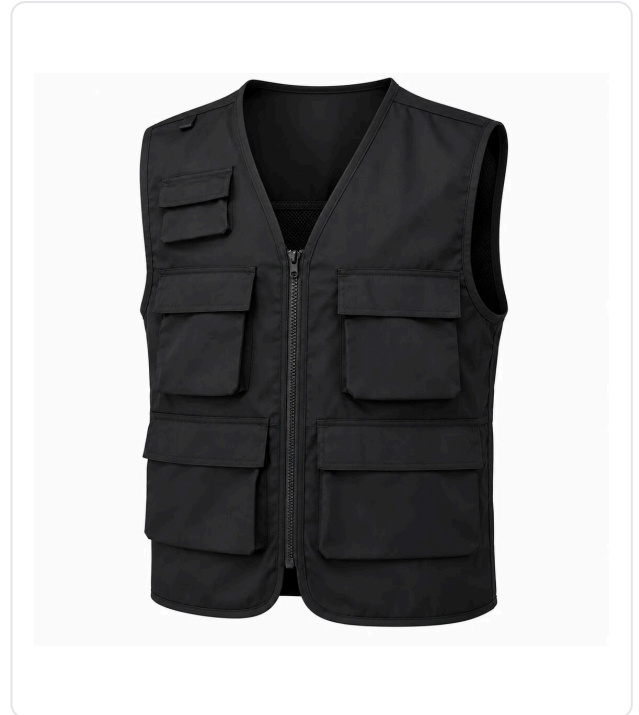

FIELDS OF USE

Can be used in the following fields:

- Construction
- Engineering
