

TECHNICAL DATA SHEET

Art. **HMTS01011**

DESCRIPTION

Protective helmet built for demanding conditions and the highest safety requirements. Extensive ventilation keeps the head cool, while the short peak leaves the upward field of view clear. The Uvicator sensor tracks shell wear caused by sunlight, and the headband reverses through 180° for better visibility in confined spaces.

CHARACTERISTICS

- Uvicator sensor shows shell wear from UV exposure
- Reversible headband, turns 180° for confined spaces
- Slip ratchet size adjustment
- Compatible with a wide range of accessories
- Material: 100 % ABS
- Weight: 354 g
- Harness: 4 point
- Temperature range: -30 °C to +50 °C
- Service life: 5 years
- Made in the EU

SIZES

54-62 cm

FIELDS OF USE

Can be used in the following fields:

- Engineering
- Construction

AVAILABLE COLOURS

- Golden yellow
- Royal blue
- Red
- Green
- White
