

TECHNICAL DATA SHEET

Art. **HMTS01021**

DESCRIPTION

Industrial safety helmet pairing a very strong high-density polyethylene shell for all-day protection across a wide range of environments with the comfort of a 3D adjustment harness system. The six-point harness spreads load across the head, an integrated sweatband handles heat, and the slip ratchet adjusts the fit one-handed.

CHARACTERISTICS

- 3D adjustment harness system
- Slip ratchet, adjustable one-handed
- Integrated sweatband
- Slot for earmuffs
- Face shield attachment
- Material: high density polyethylene
- Weight: 390 g
- Harness: 6 point
- Without ventilation
- Temperature range: -30 °C to +50 °C
- Service life: 5 years
- Made in the EU

SIZES

53-64 cm

FIELDS OF USE

Can be used in the following fields:

- Energy and telecommunications
- Construction
- Engineering

AVAILABLE COLOURS

Royal blue Red Golden yellow

CERTIFICATIONS

CE in accordance with Regulation (EU) 2016/425
CAT III

EN 397:2012+A1:2012

Industrial safety helmets.

EN 50365:2002 : Class 0

Electrically insulating helmets for use on low voltage installations.

The insulating property is lost if the helmet is vented or modified.
