Bath Furniture

The Washington Collection

The Washington 36" vanity set is stylishly constructed of solid veneer panels. The flat vessel drop-in sinks and sleek cabinetry bring style and utility to any bathroom. The sink's white rectangular round-corner design beautifully contrasts with the cabinet's sleek lines and espresso finish. This vanity includes soft-closing cabinet doors and a large drawer at the bottom of the vanity, all adorned with satin nickel hardware. An espresso-framed mirror with shelf also comes with your purchase.
