IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Before ordering or installing, please consider future access to equipment.
- If tub is equipped with an inline heater, the heater is designed to maintain water temperature, not to heat cold water.
- Add bedding compound to fully level and support bottom of tub.
- Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor *without* bedding compound, provided the floor is level.
- **Overall tub height is increased by approx. 2-3" when tub is equipped with any air bath package or when pre-leveled foam base or frame system is ordered.**
- Please measure tub **on-site** before building tub decking.
- Suction and control locations may vary.
- Specifications and configurations are subject to change without notice.
- Measurements are $\pm 1/2"$ and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.

See the "Designer Collection Tubs Installation & Operation Manual" included with tub delivery or go to mtibaths.com/support/installation_operation/manuals for all the information necessary to install and operate the tub.

MTI's Customer Service Department is available Monday-Friday 8am-6pm EST at 800-783-8827 or customerservice@mtibaths.com to answer any questions pertaining to ordering or installation.
