See the "Boutique Collection Tubs Installation & Operation Manual" included with tub delivery or go to mtibaths.com/support/installation_operation/manuals for all the information necessary to install and operate the tub.

MTI's Customer Service Department is available Monday-Friday 8am-6pm EST at 800-783-8827 or customerservice@mtibaths.com to answer any questions pertaining to ordering or installation.

IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Requires partial or complete sub-floor drain installation. See installation manual for important installation information.
- Tub includes a pedestal base for air bath package only and increases overall height by 3".
- Also available, Elena 3 (model #220), with integrated overflow and pedestal. See p. A-55.
- Air baths require job site preparations for remote mounting the blower and required check valve. Check valve must be installed higher than the rim of the tub. The keypad is shipped loose and may be mounted on a nearby wall or decking. A waterproof remote control is also included. Please read installation manual prior to ordering.
- Tub is pre-drilled with an overflow, but can be specified without (see local codes).
- Requires use of a wall-mounted or freestanding tub filler.
- Measurements are $\pm 1/2"$ and are subject to change without notice.
- Options and accessories are packaged inside the tub crate for delivery.
- Data herein supersedes all prior to publication date shown below.
