Designer's Pick Collection

The Perfecta 72" Double Sink vanity set tries its best to live up to its demanding name. With a cabinet that's fully constructed of solid oak wood, it's durable and has a substantial weighty feel. The integrated white acrylic drop-in sinks' tailored edges bring a crisp, clean, and contemporary look to any bathroom, while their rolling curved basins beautifully contrast with the sharp lines of the espresso cabinetry. This set includes four large drawers outfitted with satin nickel finish hardware. Two mirrored soft-closing medicine cabinets with joining espresso shelves provide ample storage.
